- (vii) such Account is payable not more than ninety (90) days from the date of assignment of the Account to Company,
- (viii) such Account did not arise out of a contract or ethical obligation containing provisions prohibiting assignment thereof,

(a) The purchase price or amount to be advanced by Company for each Eligible Account shall be the gross amount of such Eligible Account, less any discount or allowances of any nature allowed to Account Debtor, and less Company's expenses, such as bank charges, postage, shipping, and any reserve amount held by Company, as set out hereinafter. (b) In order to protect Company against possible returns, claims, allowances, expenses, and all other obligations of Assignor hereunder, Company may, in its sole discretion, reserve an amount not to exceed fifty percent (50%) of the Net Amount of each Eligible Account, which amount is considered reasonably necessary to cover such obligations and contingencies. Company shall have the right, in its sole discretion, to make charge backs to, or make deductions for any claims, short pays, setoffs against, or any other charges the Company deems to be in the Company's best interest to deduct from the reserve fund, in order to satisfy any obligations of Assignor to Company as provided in this Agreement. The Company shall pay, i.e., "rebate," to Assignor the balance of the reserve fund, after deducting all fees and charge backs (short payment because of Payor deductions, Assignor-intercepted payments, etc.) on each Account included on the SCHEDULE. The Company will generally rebate the reserve on an invoice-by-invoice basis, but reserves the right under appropriate circumstances to delay the rebate until all the Accounts included on the SCHEDULE have been collected in full by the Company.

(c) Subject to the foregoing provisions in 3(b), the Company will advance to Assignor such sum in its discretion of an Eligible Account, and will charge a fee, agreed upon by both Company and Assignor, on the gross amount of said Account. The Company's fee shall be consideration for its services in paying cash for said Accounts in advance of their expected due date. The terms of this fee are set forth on the SCHEDULE.

(d) The fees set out on the SCHEDULE shall continue to accrue upon the balance due of each Eligible Account until each Eligible Account is respectively paid in full.

(e) All funds received on behalf of Assignor by Company shall be applied to fees first, and then to the principle funded.

4. Representation, Warranties and Agreements. Assignor represents, warrants, and agrees that:

(a) The Assignor is in good standing, and licensed to practice Assignor's profession in the state in which Assignor's professional services were rendered for each Eligible Account. Should Assignor be an entity, the Assignor has all requisite power to enter into this Agreement and to consummate the transactions contemplated hereby on behalf of the entity. Such entity Assignor has, by all necessary corporate or company action, duly authorized the execution, delivery and performance of this Agreement, and when duly executed and delivered by the Assignor and the Company, this Agreement shall constitute a legal, valid and binding agreement of such Assignor entity.

(b) The Assignor shall provide written notification to Company within 10 days of the revocation or suspension of Assignor's professional license.

(c) With respect to an Eligible Account purchased by Company hereunder:

(9) Assignor guarantees the payment of each Account.

(d) Assignor shall indemnify and hold Company harmless against any misrepresentation or breach of warranty hereunder by Assignor, any dispute resulting in liability, loss, expense, cost or attorney's fees caused by or arising out of the rejection of any fee application or any part thereof, or any alleged claim, deficiency, defense or set off of every kind and nature asserted by any Account Debtor.

If the Assignor should receive full or partial payment on any Assigned Account, the Assignor shall immediately deliver such payment to the Company. The Assignor agrees that

all such payments or proceeds while in the hands or possession of the Assignor, shall be held by Assignor as a fiduciary of Company, in trust for the benefit of the Company.

(c) Provide Company with such documents which the Company may reasonably require to further evidence the assignment of such Eligible Account.

(d) The Company's granting of extensions to Account Debtors or the suffering of any delay or breach by the Account Debtors in connection with the Accounts shall in no way be construed as a waiver of any subsequent delay or breach or of the rights of the Company against the Assignor and the Account Debtors.

(e) The Company shall not, under any circumstances, or in any event whatsoever, have any liability for any error, omission or delay of any kind occurring in the settlement, collection or payment of any Eligible Account or of any instrument received in full or partial payment thereof or in dealing with any lien, security or guaranty of any such Account.

(f) The Assignor shall not, without the express written consent of the Company, release, compromise or adjust any Assigned Account purchased hereunder, or any guaranty, security or lien therefore, or grant any discounts, allowances or credits thereon, or bring any suit or enforce payment thereof.

(g) The Company shall have the right, but not the obligation, at any time, at its option, to collect any or all of the Assigned Accounts purchased hereunder, directly or through its agents or attorneys. The Company shall also have the right, but not the obligation, upon default by Assignor, to collect any or all of Assignor's accounts, directly or through its agents or attorneys. For such purposes, the Assignor hereby irrevocably makes, constitutes and appoints the Company its true and lawful attorney in fact with full power to sell, transfer, set over, comprise, discharge or extend the whole or any part of any such Account or Assigned Account as appropriate, and to do all acts or things necessary or incidental thereto, including but not limited to, the right to bring suit, endorse or sign the Assignor's signature and draw funds directly from any bank account of the Assignor, contact and change any mailing address or payment method or routing information or wire transfer information, from a debtor of the Assignor, notify any court or debtor of the Assignor's obligation and offset that obligation with any account receivables. Assignor shall use Assignor's best efforts to insure that each Eligible Account/declaration is approved by the judge presiding over such proceeding, and the same is timely processed through the respective court system and state personnel. Company does not expressly or implicitly assume any contractual or other duty, obligation or liability of Assignor to Account Debtor or to any other person or entity.

6. Power of Attorney.
